Last night at the opera house "Albini the Great" drew a packed house, and, judging from the laughter and applause, everyone enjoyed the performance. All during the week Mr. Albini has promised to expose the methods employed by so-called mind readers, hypnotists, fortune tellers, etc., and this he did last night in a most entertaining manner. At last night's performance Prof. Albini continued to answer questions of all descriptions put to him by people in the audience absolutely unknown to him. Prof. Albini will close his engagement to-night but expects to return here with an entire new performance for the week of March 15. Prices to-night are, admission 10c, reserved seats 20c.
